Thanks Darcy: I'll work with Valois when she is back next week to address your comments. I did make some further edits in hopes of clarifying Option 3.

Hi Darcy –

Here's the Dewey Burdock AE ROD for your review. Valois has flagged in comment bubbles the main things that have changed. Lucita, Douglas and I have all reviewed. My main question for you is whether you are ok with where we ended up for Option 3 – see my comment in the document.

Valois – I have one other comment in the document for you.

Thanks,
Sarah

Hi Valois: my only comment was at the very end referencing the number of options.

Thanks,

Douglas

Thanks, Valois – I don't have any comments on the NHPA document. Once Douglas has reviewed, please send to Darcy by COB tomorrow for her review.
